ABOUT US

BETTER LIFE FOR CHILDREN AND WOMEN FUTURE FOUNDATION

Better Life for Children and Women Future Foundation, is a renowned organization with over 7 years of experience in initiating skills-based training programs for women and youth in Nigeria.

Our foundation specializes in empowering women and youth through skills acquisition for self-reliance. With a significant presence nationwide and over 10 million members across Nigeria, we have established ourselves as a leading advocate for the empowerment of women and youth in business and startups. Our programs include capacity-building, Mentorship, seminars, Advocacy, finance and skill development opportunities for women and youth entrepreneurs.

Recognizing the unique challenges faced by women and youth, Better Life for Children and Women Future Foundation has created a subsidiary called Better Life for Women Network. This platform focuses on women's development, providing tailored programs and resources to address their challenges, leading to greater economic independence and social empowerment.

We propose to train 10,000 women and youth in each state in Nigeria, aged 10 to 40, in various professional skill acquisition programs. This initiative aims to enhance self-reliance and boost the Nigerian business economy. In addition we train internal displaced people we provide counseling and rehabilitation support to help them recover from the trauma of the attacks and rebuild their lives. Our foundation provide mentorship, access to finance opportunities, and assistance in setting up micro, small, and medium enterprises (MSMEs) for our members.

Our foundation is committed to providing high quality entrepreneurship training and has talented professional facilitators to ensure effective training.

OUR MISSION

Our mission is to empower a generation of women and youth through comprehensive skills programs, fostering economic independence, social empowerment, and sustainable community development. By providing Standard Skills Programs, promoting godly character and instilling positive habits, we aim to create a society where women and youth are equipped to make significant contributions to their communities and the world at large. Our ultimate goal is to eradicate poverty in Nigeria within the next 10 years by creating jobs for self-reliance, utilizing the skills and talents of our Participants.

OUR VISION

Our vision is to empower youth through skills acquisition programs, enabling them to realize their full potential and become pillars of strength, compassion, and innovation in their communities. We envision a future where every woman and youth are equipped with the necessary skills and resources to thrive economically and socially, contributing to the overall well-being of society. By fostering economic independence and social empowerment, we aim to create a legacy of empowered, thriving communities that drive sustainable development and inspire future generations.

DR. SAMEERA ABUBAKAR ABDULLAHI

FOUNDER / CEO
BETTER LIFE FOR CHILDREN & WOMEN
FUTURE FOUNDATION (BLCWFF)

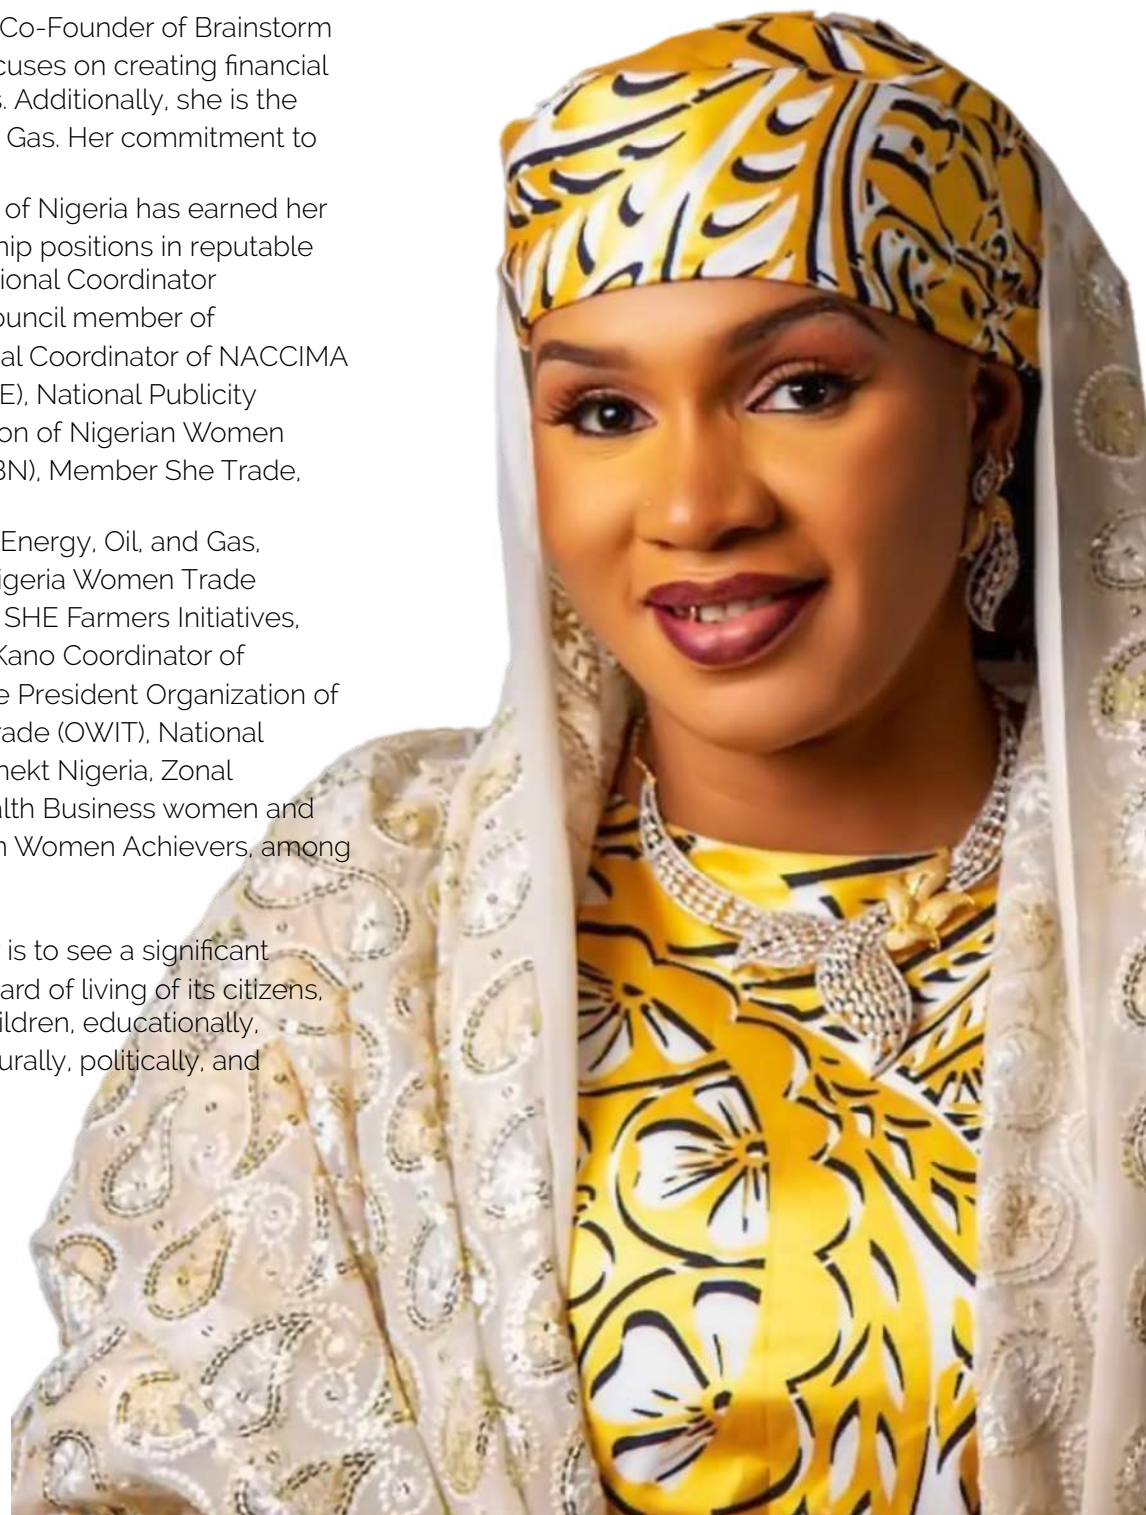

A MB. DR. MRS. SAMEERA ABUBAKAR ABDULLAHI (BED, MBA, MAISM, CMC, FIMC, ARPA), is a seasoned Nigerian entrepreneur, philanthropist, certified and experienced educationist, and business consultant. Her focus includes but is not limited to human/capacity development, humanitarianism, youth advocacy, promotion of girl-child education, and women's empowerment for self-reliance. She holds a Bachelor's Degree in Education Administration and Planning from the prestigious University of Education Winneba, Accra, Ghana, and a Master's in Business Management from Alqalam University, Katsina State, with a second Master's in view from the Netherlands Business School (NBS). She is married with three beautiful children and is of Hausa/Fulani descent from Kano State.

She has a penchant for entrepreneurship, education, and the development of women and children. To achieve her desire of touching lives and giving back to society, she founded a non-governmental organization called Better

Life for Women and Children Future Foundation (BLWCFF) and Better Life For Women Network (BLWN). Since the inception of her foundation, she has provided succor and support to women and children in selected states in Nigeria. She has also partnered with other foundations and relevant agencies, as well as state, national, and international organizations, to provide the needed support for the less privileged in society. This stride has earned her a number of recognitions across the country, especially in northern Nigeria.

She is the Chief Executive Officer (CEO) of MHS Universal Investment Limited, a firm that deals in all agro products and commodities. She is also the CEO of Samaan Intercontinental Resource Ltd, which deals in general services, and the Co-Founder of Brainstorm IT Solutions Ltd, which focuses on creating financial and IT-related e-solutions. Additionally, she is the founder of Saman Oil and Gas. Her commitment to the growth and development of Nigeria has earned her membership and leadership positions in reputable organizations such as National Coordinator ECOWAS/FEBWE, the Council member of NACCIMA, Deputy National Coordinator of NACCIMA Youth Empowerment (NYE), National Publicity Secretary of the Association of Nigerian Women Business Network (ANWBN), Member She Trade, Northwest Zonal Coordinator of Women in Energy, Oil, and Gas, National Coordinator of Nigeria Women Trade Exhibition, Co-Founder of SHE Farmers Initiatives, Women Business Group Kano Coordinator of NAWORG, Northwest Vice President Organization of Women in International Trade (OWIT), National Coordinator of Youth Connekt Nigeria, Zonal Coordinator Commonwealth Business women and Chairperson I Am Nigerian Women Achievers, among others.

Her desire for her country is to see a significant improvement in the standard of living of its citizens, especially women and children, educationally, socioeconomically, structurally, politically, and otherwise.

TARGET GROUP WITHIN ALL THE 774 LOCAL GOVERNMENT AREA AROUND NIGERIAN

In each Local Government Area, we aim to select 300 highly motivated women and youth between the ages of 10 and 40 years, who are among the less privileged, to participate in our training program. Each undergoing a Professional Standard Training.

The key selection criteria includes

Demonstrated interest in personal development & confidence for self-reliance.

Ability to solve problems creatively

Possession of a personal vision

Presentation of a viable business idea

Passion for making a positive impact in the community

THE PARTICIPANTS WILL ENGAGE IN BOTH THEORETICAL AND PRACTICAL ASPECTS OF THE TRAINING.

Upon completion of each program within the stipulated duration, participants will be required to initiate a business startup. They will also be expected to share their newly acquired knowledge with at least 15 women and youth in their communities. Only those who successfully complete the skills training will qualify for the empowerment program.

Benefits

1. Comprehensive skills training with a certificate
2. Free business company account
3. Subsidized CAC business name registration with certificate
4. Subsidized toolkit equipment
5. Free business company 3D logo creation
6. Free business webstore to boost businesses
7. Free business consultation after graduation
8. Free business marketing strategy
9. Free business mentorship
10. Business funding and loans for startup from our collaborating institutions.

We guarantee that our comprehensive training programs will enhance the knowledge and skills of the youth and women in NIGERIA ultimately improving their lives. To ensure optimal results, the programs can be customized according to specific needs and requirements.

The goal of the project is to TRAIN 10,000 WOMEN AND YOUTH FROM EACH STATE IN NIGERIA.
